

STUDENT PRIZE PRESENTATIONS

TUESDAY, 7th October 2014

The Regional Group Student Prize is awarded each year, for the best Final Year Project in the subject area of Structural Engineering. This year's nominees are:

- **CIT:** Andrew Meehan - *"Construction and Design of Reinforced Concrete Box Culverts"*
- **DIT:** Pavel Trofimov - *"The Four-Hinge Method of Analysis of Masonry Arches"*
- **TCD:** Amy Flanagan - *"Life Cycle Cost-Benefit Analysis of a Seismically Retrofitted Integral Bridge" (nominated in absentia)*
- **UCC:** Deirdre O'Donnell & Robert Wright - *"Finite Element Modelling of a Historic Steel Suspension Bridge through the Correlation of Experimental Data from a Novel Sensor System"*
- **UCD:** Nora Gyetvai - *"Field Study of the Guinness Bridge for Documentation and Safety Evaluation Purposes"*

At the evening meeting, the nominees will each make a short (10 minute) presentation on their project and then answer questions from three industry-representative judges. The evening promises to be highly informative, especially for final-year students.

Date & Time: Tuesday, 7th October 2014, Reception 18:00, Presentations 18:30
Venue: Rm 281, Dublin Institute of Technology, Bolton St.
