

EVENING LECTURE

The Design and Construction of Mersey Gateway Bridge

Mersey Gateway Bridge is an innovative cable stayed bridge carrying 6-lanes of traffic across the Mersey which was opened in October 2017 after a 3-year construction period.

In this lecture, Mr. Paul Sanders, Chartered Engineer, Director COWI, will outline the challenges faced by the design team. The construction methodology will also be presented.

6.30pm, Tuesday 12th December, 2017
DIT, Bolton Street

Tea/ Coffee from 6pm
